

Matthew 8:5-13

The Dash - Faith

Webster's Definition of Faith:

1 a : devotion to duty or a person : LOYALTY b : the quality of keeping one's promises. 2 a : belief and trust in and loyalty to God b : belief in the doctrines of a religion c : firm belief even in the absence of proof d : complete confidence.

Main Point:

As we live in "THE DASH," we put faith in many different people, trusting them to keep their promises, to uphold their commitments, to be relied upon...if we want to live as God intended in community we must have faith in people...but ultimately, we need faith in One who holds us in his promises with things regarding life and death and every detail in between...God can be trusted and can be known and we can put our faith in his very essence and character...
