The Purposes and Plans of God

We need to have our hope in the purposes and plans of God...in Him we find our “happily ever after.”

- **2 Important Perspectives:**

- 1 - It's important not to get too sidetracked of *how this is going to happen*, but that our hope remains steadfastly *that it will happen* through the person of Jesus Christ
- 2 - It's also important to understand that the purposes of God to redeem humanity and the world are fulfilled in Jesus for the purpose to *make all things new...*
