— Who We Are —

Tulare Community Church was founded by a determined group of 10 families in 1972. Over the last 46 years, we have grown to 255 families (combining members, committed disciples, and regular attendees) under the leadership of seven Senior Pastors. TCC is a member of the Central California Classis of the Reformed Church in America (RCA). Currently, we have an average Sunday morning attendance of 361 between our two campuses.

Our congregation sprouted from a Dutch/agriculture heritage, but has since expanded out from there. We have grown more diverse in the last decade, and feel called to minister to the changing community in which we live. Understanding that the Church is not a building but members of the Body of Christ, we are focused on growing and serving within the Body while also reaching out and serving in the community around us. In service to this focus, we have continually sought out ways to spread the name of Christ, not just through our various church plants, but also by investing in the lives of local residents and their children. We believe each individual member of the Body has been gifted by the Holy Spirit to participate in the Mission and Vision of our church, and are committed to helping them discover and grow their gifts.

We have two places of worship on our property. Both meet for a weekly Sunday service, where the Word of God is boldly taught. South Campus meets in the Worship Center at 8:30 am. Our Worship Center was renovated in 2006 and seats 530 people, with an outdoor covered patio area for fellowship before and after the services. North Campus meets on Sundays at 10:00 am in the Activity Center. We recently renovated the Activity Center, which has a full kitchen, and can seat over 550 people for community events, large worship services, etc. We have a separate building that houses our offices.

Throughout the week, we have various ministries and opportunities on our 5.5-acre campus for adults, youth and children.

TCC firmly believes in the importance of church, home, and school; and as such, is one of the founding and supporting churches of both Central Valley Christian School and Sierra Village Christian Retirement Community, both located in nearby Visalia, California.

Believing strongly that we are to be salt and light in our community, TCC started Reaching Higher in 2008. This is a community-based, youth outreach program that mentors and tutors at-risk kids. Reaching Higher has expanded to five sites across Tulare and is serving over 100 kids each day. Each summer we send approximately 80 of these youth to Christian summer camp.

With our vision to impact the communities around us, we have planted over 30 churches, including two church start-ups in Ensenada, Mexico. Many of our church plants are now self-sustaining and self-governing.

In 2016, we developed the Reach Out Team, with the purpose of intentionally serving and loving our community. The Reach Out Team has four main focus areas: continuing our long-time relationship with Love Inc., developing a relationship with the Tulare Police Department, “adopting” Roosevelt School, and continuing to support Reaching Higher.

We are excited about where God is taking TCC in this season!

— TCC Guiding Principles —

Mission Statement: Be disciples and make disciples.

Be one • Make one

Matthew 28:18-20

Essential Values:

Community of Worship – gathering with repentant hearts to worship God

Stewardship – becoming a surrendered people in alignment with God

Prayer – learning to listen and give to God in relationship

Word and Spirit – receiving the Kingdom for it to live through us

Mission – having eyes and hearts for the world as God does

Multiplication – equipping people and establishing the gospel for others

Sabbath Rest – seeking and celebrating the rest/peace of God's presence

Belief Statements (based on the Nicene Creed):

We believe that Jesus Christ is God, always was God, having no beginning, and that he is God's only Son.

We believe Jesus Christ was born outside of sin miraculously of a virgin and came in the flesh to teach us how to live out God's mission, and give his life to make a way for us to be reconciled with God.

We believe we were born into sin and that we need a Savior from this condition of being separated from God.

We believe Jesus died as the only solution for our sins and is a complete and sinless sacrifice for those who trust this very thing about him for their salvation.

We believe that Jesus was resurrected bodily to new life; that he ascended to heaven and is the only mediator (high priest) for us; that he and the Father sent the Holy Spirit as One just like Him so that we can live in his power, presence and authority; and that one day Jesus will return to judge the living and the dead and make all things new.
